WORK EXPERIENCE

Icomera AB - UX Designer

June 2019 - November 2019

My work at Icomera involved doing a project to define personas, from interviews to analyzing the data and defining the personas. I also redesigned some of their tools, to help Icomera get a more uniform design in their applications.

Chalmers University of Technology - Teaching Assistant

Mars 2019 - Juni 2019

I was a teaching assistant in a course called Design and construction of graphical interfaces. I held exercises and supervised students in their work.

Chalmers Teknologkonsulter AB - Information Technology Consultant

Januari 2018 - Mars 2019

While working at Chalmers Teknologkonsulter I was involved in projects related to information technology. I was part in projects developing mobile applications and my main area were often frontend and designing user interfaces.

Liseberg AB - Mechanical department

June 2018 - August 2018

June 2017 - August 2017

I worked at Liseberg during two summers. I worked at the mechanical department in a team that took care of the cleaning of the amusement park. It was a physical demanding job but it was also about time management, to be able to finish the work before opening hours.

VA SYD - Accounting clerk

June 2016 - July 2016

July 2015 - August 2015

July 2014 - Decemeber 2014

While working at VA SYD I was doing several work tasks, among others processing supplier invoices.

Bring - Repacketing/Labeling

April 2015 - July 2015

September 2014 - Januari 2015

During my employment at Bring I worked with repacketing and labeling groceries. This job required you to be effective and work in a high pace.

Kävlinge Hemservice - Domestic Help for elderly

April 2015 - July 2015

While working at Kävlinge Hemservice I helped elderly grocery shopping, cleaning and doing the laundry. This job required you to be flexible and be service minded.

TeliaSonera - File maintenance

June 2014 - July 2014

June 2013 - July 2013

July 2011 - July 2011

I worked three summers at TeliaSonera with file maintenance.
